

It Took WINSLOW® To Get The Weight Out

Introducing Our Super-Light™ ISAF Compliant Life Raft

Several manufacturers make ISAF compliant life rafts, but it took WINSLOW® to make one this light and easy to handle. Constructed using WINSLOW's exclusive new lightweight material, this life raft meets or exceeds all new ISAF regulations while maintaining the WINSLOW® tradition for premium quality, Super-Light™ life rafts. If you're serious about faster boat speed and crew safety, WINSLOW® is your only real choice.
